THANK YOU, RETIRING STAFF!

A number of long-time Village employees have recently retired or will be retiring this spring. We thank them for their dedicated service to our community!

Did You Know...

...That in the 1980s, Barrington was one of the first communities in the country to establish multi-material curbside recycling?

BARRINGTON
Be Inspired.

Be Inspired! Barrington is a beautiful, historic suburb that takes pride in its hometown charm and small-town heritage. It's a place where our residents are inspired every day to get involved and give back to their community. The Village Center is the heart of town with its stately Victorian homes, historic buildings, and dozens of quaint shops and restaurants clustered in five distinct retail areas. www.barrington-il.gov

FEATURED EVENTS

IN BARRINGTON

APRIL IN PARIS: The Cultural Commission Celebrates All Things French This Month

Get into the spirit of spring with "April in Paris" this month throughout Barrington! The Barrington Cultural Commission is proud to sponsor the first of its upcoming "Cultural Months," kicking off in April as we celebrate all things French. Throughout the Village you will find retailers and restaurants with the poster at left displayed in their windows; each will be featuring a different special or French-themed product.

On April 23, the French Consul General in Chicago, Guillaume Lacroix, will give a presentation at Barrington's White House (see right). Also, during Barrington's Wine Walk on April 27, a number of our wine stops will feature many of the wonderful wines of France to taste.

April 27: Spring Wine Walk

Sponsored by the Barrington Area Chamber of Commerce and the Village of Barrington, the Spring Wine Walk, "Sipping Saturday," will take place on Saturday, April 27 from 2:00 – 6:00 p.m. Attendees are invited to visit many unique stores in downtown Barrington and enjoy great wine at each stop. Check-in begins at 2:00 p.m. at NeoTeca (130 S. Hough St.). Tickets can be purchased at www.BarringtonChamber.com.

Ticket price includes: access to a 1-oz. pour at each merchant location, souvenir wine glass, and a map of the wine-tasting

locations. Don't miss the Wine Walk Trolley, which will transport attendees throughout the downtown Barrington area.

This spring, some of the stops will also feature delicious French wines as we participate in the "April in Paris" cultural month in Barrington.

SAVE THE DATE

May 11: Barrington Independent Short Film Festival at the Catlow

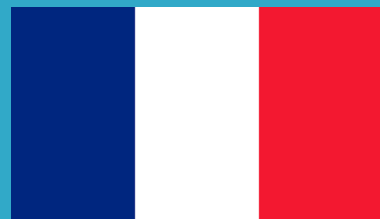

Now in its third year, this festival features some of the best short films the suburbs have to offer. Sponsored by the Catlow and the Barrington Cultural Commission.

APRIL IN PARIS

APRIL 23, 3:30 P.M.

FRENCH CONSUL GENERAL VISITS THE WHITE HOUSE

Barrington's White House is pleased to host a reception in honor of Mr. Guillaume Lacroix, French Consul General in Chicago, who will bring greetings from his government and update us on activities that his office oversees in the Midwest. Mr. Lacroix will be visiting Barrington as part of the Village's April in Paris festivities, sponsored by the Cultural Commission. Go to www.barringtonswhitehouse.com for more information.

Hunt for Eggs in Barrington Until April 12

Anderson's Candy Shop in downtown Barrington is once again hosting its popular Easter Egg Hunt throughout town until April 12. Simply visit our local merchants, find a plastic egg, and reveal the prize inside! You can win lots of fun and useful items and services from our merchants all over town.

A Message from Karen Darch

President, Village of Barrington

The State of the Village: Accomplishments and Challenges

In my annual State of the Village speech to the Village Board on March 18, I discussed some of the Village's accomplishments from 2018 and also outlined some of the challenges that we face in the coming years.

On page 1 of this newsletter you can see some of our many accomplishments in the "By the Numbers" article. Each of our departments and staff members works tremendously hard all year to help make Barrington a wonderful place to live, work, and play, and I could not be more proud of their efforts.

As we began work on our 2020 Comprehensive Plan this year, we mailed a survey to 4,505 Village households and received 1,111 responses (a 25% return rate). From this information we learned and confirmed some important information.

While we are pleased with the accomplishments of the past year, we must also recognize the challenges we have in 2019 and beyond.

Not surprisingly, traffic congestion is the #1 issue needing attention in Barrington, while economic redevelopment is a close second.

On the traffic front, we continue to work on funding for the Route 14 underpass and are currently

awaiting the results of four pending grants. However, we have recently learned that Canadian National is planning to double-track an additional four-plus miles of railroad between Elgin and Hoffman Estates, just south of Barrington. More significantly, CN has stated that this will bring about an additional 9 trains per day on our tracks by 2020 – a 50% increase in trains through Barrington by next year. This makes achieving the underpass even more critical.

On that note, I also discussed the Lake Zurich Road realignment project. As you may remember, the latest proposal to re-route Lake Zurich Road to the light at Berry Road for community safety reasons was rejected by the Barrington Area Library a year ago. However, it is important to understand that once funding is achieved for the underpass, the realignment of Lake Zurich Road will need to be revisited again. Recently, there has been misinformation in the community about this project, and I would encourage all of you to go to our web site at www.barrington-il.gov to learn the facts.

While we are pleased with all of the accomplishments of the past year, as the Village Corporate Authorities we must also recognize and address the challenges we have in 2019 and beyond.

Public safety pensions are one of the top issues of concern. As you are likely aware, costs of these defined-benefit pensions are ever-increasing. This results in the crowding out of other Village services, such as our Road Maintenance Program. One option on the table for reducing pension costs is consolidation. Currently in the state of Illinois, there are 650 individual pension plans. We have two in Barrington (police and fire). By consolidating these programs, we can achieve higher returns and more administrative efficiency that will help lower costs. I am committed to working on this type of solution.

In my speech I also discussed Barrington's focus on being "green." You may not know that in the 1980s, the Village of Barrington was one of the first in the country to institute multi-material curbside recycling program. For the past 30 years, we have been very active in many environmental programs and have worked with numerous local organizations on wetland restoration, Flint Creek projects, and more.

But even with all that is done or underway, constantly there are new ideas, technologies and information on how to continue to improve our environment. To assist in considering the new ideas and to support environmental entities in our community, I have recommended the establishment of a new Village Environmental Advisory Committee that will help foster the care and concern of our local environment.

And finally, I concluded my State of the Village address by recognizing numerous long-time Village employees who have or will be retiring this year. 16-year Barrington Trustee **Jim Daluga** will be going off the Village Board in May. Our Village Manager and former Police Chief, **Jeff Lawler**, is retiring this spring, as is our Human Resources Director, **Colleen Nigg**. Our Economic Development Director, **Peggy Blanchard**, also recently retired, as did our Public Works Director, **Mark Werksman**. In addition, we have several other long-time employees retiring this year, and I would like to take this opportunity to thank all of these individuals for their many, many years of service to the Village of Barrington. We are in their debt.

Karen Darch

BARRINGTON CELEBRATES 32 YEARS AS A 'TREE CITY USA'

Barrington is proud to be named a "Tree City USA" for the 32nd consecutive year. The Tree City USA program, sponsored by the Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters, provides direction, technical assistance, public attention, and national recognition for urban and community forestry programs in thousands of towns and cities that more than 135 million Americans call home.

APRIL 26: ARBOR DAY CELEBRATION

In celebration of Arbor Day on Friday, April 26, Public Works is providing tree saplings to be distributed to all 4th grade students. The Council of Garden Clubs will give a presentation to students, where they will learn how trees produce food and energy for people and wildlife, how properly selected and planted trees conserve energy, and more.

PROTECTING OUR WATER SUPPLY

The Illinois Environmental Protection Agency (IEPA) requires every Illinois municipal water supplier to develop and implement a comprehensive Cross Connection Control Program designed to safeguard the public water supply. The Village of Barrington by Municipal Code, Chapter 6 "Cross Connection Control" adopted such a program.

For the Village of Barrington to remain compliant, cooperation from all residential and commercial property owners is essential and a critical part of this program. Should you ever receive any requests for information from the Village of Barrington or our subcontractor, Aqua Backflow, who manages this program for the Village, please respond accordingly.

Aqua Backflow specializes in cross connection control program management and is familiar with the State of Illinois regulations and requirements for testing, repairs, and maintenance of backflow devices. If you have or require backflow protection because you have a pool, irrigation system, fire sprinkler system, or heating system/boilers, you must comply with these regulations.

If you have additional questions, you may contact Aqua Backflow at 847-742-2296 or email them at info@AquaBackflow.com.

**APRIL 22 IS
EARTH DAY**
CELEBRATE OUR PLANET

SANITARY SEWER BACKUP?

If you experience a sanitary sewer back-up due to an extreme rain event, please contact Barrington Public Works as soon as possible, Monday through Friday, at 847-381-7903 or after hours at 847-270-9111. A Village representative will come out to confirm the backup and investigate the source of the problem.

NEWS FROM PUBLIC WORKS

GET READY FOR THE CHIPPER!

MONDAY, MAY 6 - NORTH OF MAIN STREET

MONDAY, MAY 13 - SOUTH OF MAIN STREET

Please have all your branches and material out to the curb by 7:00 a.m. on your designated Monday morning. The Chipper will make only ONE pass through your neighborhood. Branches may be up to 10" in diameter and at least 4' in length.

Stack branches neatly in a long, low pile on the parkway, with the cut end facing the curb. Public Works crews cannot pick up material on private property.

The following items cannot be picked up: root balls and stumps; building materials; anything with nails, wire or bolts; any materials placed in a box or garbage can; grass; leaves; or any materials other than wooded branch materials. Remember to utilize your Groot yard waste tote throughout the season.

HYDRANT FLUSHING SCHEDULE

**APRIL 29 – MAY 10
(6:30 A.M. – 3:00 P.M.)**

Flushing will occur in the Village of Barrington, Paganica of Barrington Hills, and Braymore, Weatherstone, Glencrest, and Sanctuary of Inverness

MAY 13 – MAY 15 (6:30 A.M. – 3:00 P.M.)

Flushing will occur in Abbey Woods and Estates of Inverness Ridge

The Village conducts an annual flushing of the water distribution system to eliminate as much mineral content as possible from the domestic water supply. Fire hydrant flushing removes a considerable amount of loose mineral content and "settleable" solids that accumulate in the water supply system over a period of time.

Flushing will occur from April 29 through May 15 (as listed above, weather permitting). You may experience discoloration, low water pressure, and rusty water during flushing operations. This may occur during the entire flushing period, even when flushing may not be in your immediate area. Although water may be discolored, it is safe to drink; however, until the water runs clear, you should avoid washing clothes, especially whites. Call Public Works at 847-381-7903 for more info.

IT'S CAMPAIGN AND YARD SIGN SEASON – BE SURE TO DISPOSE PROPERLY

Campaign/yard signs and wires should be removed within 14 days of any election or event. Please bring them to Public Works for recycling – these signs will become buildings in third world countries!

GOT CORKS? RECYCLE!

Ready to get rid of your cork collection? Natural and synthetic corks of all sizes can be brought to the marked collection receptacle in front of the Barrington Public Works building on Raymond Street.

Need more info on proper recycling? Go to www.swancc.org/recycling/green-pages-directory.

SPOTLIGHT ON PUBLIC SAFETY

DON'T BE A VICTIM Lock vehicles to avoid burglaries

The Village of Barrington has recently been the target of auto burglaries. Vehicles targeted were either unlocked or have had valuables sitting in plain view. The most common items stolen are cell phones, I-Pass units; briefcases/purses, laptop computers & iPads, cash, and headphones.

In order for criminal activity to thrive, the criminal must have three things: Desire to commit the crime, ability to commit the crime and opportunity to commit the crime. The only thing honest citizens can control is the OPPORTUNITY. Take away the opportunity by adhering to the following common sense safety tips:

- 1.** Do not leave anything of value in your vehicle (especially in plain view)
- 2.** NEVER leave your key fob in the vehicle
- 3.** ALWAYS lock your doors and close all windows
- 4.** Make it a practice to be aware of your surroundings
- 5.** Report ALL suspicious activity to the Barrington Police
- 6.** If you're a victim, call 911

The Barrington Police Department is conducting extra patrols in parking lots and neighborhoods, but we need your help.

Take away the demand by following the common sense advice listed above, and together we can make a difference.

For information and tickets for all events, go to barringtonwhitehouse.com/events

BWH Curious Mind Series: The Oriental Institute

Sundays, April 7 & 14, 3:00 p.m.

From mummies to Sanskrit, learn about some of the world's earliest civilizations and deepest secrets. The series continues on Sunday, April 7, with "Book of the Dead: Un-reading the Ancient Egyptian Scrolls" presented by Egyptologist Foy Scalf, PhD, Research Associate and Head of Research Archives. On Sunday, April 14, we present "From Persepolis to Chicago: Achaemenid Art and Architecture and the Oriental Institute," with Kiersten Neumann, PhD, Curator, Research and Communications Associate.

3rd Thursdays Art Night Out Featuring Jane Christino

Thursday, April 18, 6:00–8:00 p.m.

You may recognize this artist's work from Citizens for Conservation. Paying attention is an endless occupation, says the artist. "We all look at the world around us, but what do we fully see? Consciously regarding nature, everyday objects, interiors, or landscapes allows them to reveal their subtle nuances, their histories, personalities, and emotions. Taking time to look gives us the opportunity to see and to appreciate those qualities."

Pacifica String Quartet

Sunday, May 5, 3:00 p.m.

Recognized for its virtuosity, exuberant performance style and often-daring repertory choices, this Grammy- and award-winning quartet is acclaimed as one of the world's finest chamber ensembles. Pacifica is the Quartet in Residence at the Jacobs School of Music, Indiana University. Performance selections include works by Haydn, Shostakovich and Beethoven.

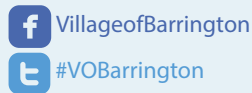

Stay in the Know During an Emergency: Sign Up for Community Alerts

Village Vision

The vision of Barrington is to preserve and promote its unique small-town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

Follow Us!

OVERNIGHT PARKING REGULATIONS IN THE VILLAGE OF BARRINGTON

Overnight parking is prohibited in all Village parking lots, except for in the North Commuter parking lot (go to www.barrington-il.gov for a map of overnight spots).

Overnight parking in these lots requires a special permit. During regular business hours, contact Village Hall at 847-304-3400, or after hours, contact the Police Department at 847-304-3300 for information about overnight parking permits in these lots.

You can also conveniently pay for your overnight parking permit with any mobile device using Passport Mobile Pay. To purchase a permit, simply download the PassportParking app. Enter Zone No. 604 for overnight parking. You can also purchase an overnight parking permit with our automated voice system by calling

847-380-4332. A small convenience fee is charged when using this service.

The Village allows for on-street parking throughout the day. However, overnight parking is not allowed on any village street outside of the central business district,

including residential areas and all public streets outside of the downtown area, from the hours of 1:00 a.m. – 6:00 a.m. Parking is not allowed in the central business district from 2:00 a.m. – 5:00 a.m.

We understand that there are times when our residents will need to park overnight on the street. Please call ahead of time to 847-304-3300. You will be asked for some basic vehicle information and, provided this isn't an abused occurrence, we will typically grant approval to park overnight. For more information, go to www.barrington-il.gov/parking.
